Guidelines for live (in-person) course and conference attendees

- All attendees are advised and expected to be either fully vaccinated or obtain a negative COVID-19 test within three days of the event.
- Masks are required for all attendees (exceptions: faculty/presenters when actively giving a talk/presenting, attendees when actively eating).
- After the event: We ask that in-person attendees notify us at ahnme@ahn.org if they test positive for COVID-19 within a few days of attending an event. We will notify participants of a potential exposure should this happen.
