
PSYCHIATRY GRAND ROUNDS

“MORBIDITY AND MORTALITY:

The Tale of the Boy Who Cried Wolf: How complacency in the workplace can be dangerous and the best ways to prevent it from occurring in the first place”

ALEXANDRA FORTUNATO, D.O.

PGY-II Psychiatry Resident
Psychiatry and Behavioral Health
Allegheny General Hospital
Pittsburgh, Pennsylvania

MENTOR: Anjali Medhekar, M.D.

**Thursday, September 26, 2019
12:00 p.m. - 1:00 p.m.**

SNYDER AUDITORIUM

THIS ACTIVITY IS DESIGNED TO HELP YOU:

- Discuss a case presentation that outlines the real life morbidities that can occur from being complacent
- Recognize what complacency is and the best ways to prevent becoming too complacent at work
- State the best predictors of suicide
- Engage in discussion about personal experiences with complacency in the workplace and brainstorm ways to prevent these events from recurring

PHYSICIANS: Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians and adheres to the policies of the American Psychological Association regarding provision of Continuing Education.

Allegheny General Hospital designates this continuing medical education activity for a maximum of 1.0 AMA PRA Category 1 Credits ^[TM]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CE FOR PSYCHOLOGISTS: Allegheny Health Network is approved by the American Psychological Association to offer continuing education for psychologists. Allegheny Health Network maintains responsibility for the program and its content.

TARGET AUDIENCE: Advanced level of instruction for psychiatrists, psychologists, social workers and other medical personnel.

Faculty Disclosure: In accordance with the Accreditation Council for Continuing Medical Education (ACCME), the Association of American Medical Colleges (AAMC) Standards and the policy of Allegheny General Hospital, presenters are asked to indicate if they have any relationship which, in the context of their presentation, could be perceived as a real or apparent conflict of interest (e.g., ownership of stock, honoraria, consulting fees, etc.). Any such relationships will be disclosed to the audience and consideration will be given to possible influences of their presentation. Dr. Fortunato and Dr. Swanson (Course Director) have nothing to disclose.

The information presented in this CE offering reflects the opinion of the presenter. As with all science, there may be multiple explanations for the data and multiple reasonable conclusions.
