
PSYCHIATRY GRAND ROUNDS

“THE EFFECT OF SOCIAL SUPPORT ON PHYSIOLOGICAL STRESS REACTIVITY IN YOUTH EXPOSED TO COMMUNITY VIOLENCE”

RACHEL CLEGG, M.A.

Psychology Intern

*Department of Psychiatry
Allegheny Health Network
Pittsburgh, PA*

ANTHONY MANNARINO, PH.D.

Vice Chair

*Department of Psychiatry
Allegheny Health Network
Pittsburgh, PA*

**Thursday, October 7, 2021
12:00 p.m. - 1:00 p.m.**

VIA ZOOM

THIS ACTIVITY IS DESIGNED TO HELP YOU:

- Describe how the HPA-axis and sympathetic nervous systems are related in children under normal conditions and after exposure to community violence
- State some of the ways social support can be a protective factor against the effects of community violence
- State some of the ways that assessment of social support and treatment of social support can be integrated into clinical practice

PHYSICIANS: Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians and adheres to the policies of the American Psychological Association regarding provision of Continuing Education.

Allegheny General Hospital designates this continuing medical education activity for a maximum of 1.0 *AMA PRA Category 1 Credits* [TM]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CE FOR PSYCHOLOGISTS: Allegheny Health Network is approved by the American Psychological Association to offer continuing education for psychologists. Allegheny Health Network maintains responsibility for the program and its content.

TARGET AUDIENCE: Advanced level of instruction for psychiatrists, psychologists, social workers and other medical personnel.

Faculty Disclosure: In accordance with the Accreditation Council for Continuing Medical Education (ACCME), the Association of American Medical Colleges (AAMC) Standards and the policy of Allegheny General Hospital, presenters are asked to indicate if they have any relationship which, in the context of their presentation, could be perceived as a real or apparent conflict of interest (e.g., ownership of stock, honoraria, consulting fees, etc.). Any such relationships will be disclosed to the audience and consideration will be given to possible influences of their presentation. **Ms. Clegg, Dr. Mannarino and Dr. Swanson (Course Director) have nothing to disclose.**

The information presented in this CE offering reflects the opinion of the presenter. As with all science, there may be multiple explanations for the data and multiple reasonable conclusions.
