

Continuing Medical Education

Pancreatic Cancer Symposium

Virtual Conference

Friday, November 6, 2020

Sponsored by
AHN Cancer Institute
Pittsburgh, Pennsylvania

Register now at cme.ahn.org.

Keep up with the latest in pancreatic cancer diagnosis, treatment, and research.

Find out how new discoveries might affect clinical decisions you make for your patients.

Course objectives

1. Improve the understanding of risk factors and diagnosis.
2. Update on the impact of the multidisciplinary team.
3. Discuss available clinical trials and novel treatments.
4. Understand the roles and complexities of adjuvant and neoadjuvant therapies.
5. Develop networking collaborations for pancreas cancer research.

Who should attend

Health care professionals who need to stay up to date on managing patients with pancreatic cancer:

- Practicing oncologists
- Surgeons
- Radiologists
- Registered nurses
- Advanced practice providers

We also welcome pancreatic cancer patients and their loved ones who want the latest information on treatment and research.

Accreditation

This course will provide 6 CME credits.

Physicians

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Allegheny General Hospital designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses, Nurse Practitioners, and Physician Assistants (Non-Physicians)

Up to 6 contact hours of AMA PRA Category 1 Credits are accepted by:

- American Nurses Credentialing Center
- American Academy of Nurse Practitioners
- American Academy of Physician Assistants

Agenda

Friday, November 6, 2020

8 A.M.

Opening Remarks

Dulabh K. Monga, MD, AHN Medical Oncology

Suzanne Schiffman, MD, AHN Surgical Oncology

Diagnosis

8:15 – 8:35

Endoscopic Evolutions in the Diagnosis and Management of Pancreas Cancer

Marcia Mitre, MD, AHN Gastroenterology

8:35 – 8:55

Management of High-Risk Pancreas Cysts

Abhijit Kulkarni, MD, AHN Gastroenterology

8:55 – 9:15

Endoscopic Palliation of Advanced and Nonsurgical Cases

Gursimran Kochhar, MD, AHN Gastroenterology

9:15 – 9:35

Pancreas Cancer Genetics

Kyla Morphy

Genetic Counselor, AHN Cancer Institute Genetics Program

9:35 – 9:50

Q&A

9:50 – 10:00

Break

Multidisciplinary Management and Treatment

10:00 – 10:20

Innovations in Surgery for PDAC

Suzanne Schiffman, MD, AHN Surgical Oncology

10:20 – 10:40

The Great Debate: Adjuvant vs. Neoadjuvant Therapy in PDAC

Daniel Laheru, MD

Co-Director, Skip Viragh Center for Pancreatic Cancer Clinical Research and Patient Care, The Johns Hopkins Hospital, Professor of Oncology, Johns Hopkins University

Agenda

Friday, November 6, 2020

10:40 - 11:00

Innovative Radiation Techniques in PDAC

Paul Renz, DO, AHN Radiation Oncology

11:00 - 11:20

Novel Treatments in the Management of Metastatic Disease

Dulabh K. Monga, MD, AHN Medical Oncology

11:20 - 11:40

Role of Immunotherapy and Vaccines in Pancreas Cancer

Neeha Zaidi, MD, Medical Oncology, The Johns Hopkins Hospital
Associate Professor of Oncology, Johns Hopkins University

11:40 - 11:50

Q&A

Keynote Presentation

NOON - 12:40 PM

Biomarkers in Pancreas Cancer

David Bartlett, MD, Chair, AHN Cancer Institute

12:40 - 12:50

Q&A

12:50 - 1:20

Case Studies in Pancreas Cancer

Deep Shah, MD, AHN Hematology Oncology Fellow
Discussants: Daniel Laheru, MD and Neeha Zaidi, MD

1:20 - 1:40

Primary and Secondary Prevention of Thromboembolism in Pancreas Cancer

Alok Khorana, MD, FASCO, Cleveland Clinic

1:40 - 2:00

Current Clinical Trials in Pancreas Cancer

Moses Raj, MD, AHN Medical Oncology

2 P.M.

Closing
