29th Annual Virtual Clinical Update in

GERIATRIC MEDICINE

This conference provides a partnership effort of:

Premier Partner

- ▲ Highmark Blue Cross Blue Shield and Allegheny Health Network
- ▲ UPMC Health Plan

Partnering Institutions

- ▲ Allegheny Health Network — Forbes Family Medicine Residency Program
- ▲ Community LIFE
- ▲ Heritage Valley Health System
- ▲ UPMC McKeesport Family Medicine Residency Program
- ▲ UPMC Shadyside
- ▲ UPMC St. Margaret
- ▲ Washington Health System Geriatric Medicine Fellowship Program

Introduction

The fastest growing segment of the population comprises individuals over age 85. The purpose of our annual conference is to provide an evidence-based approach to help clinicians take exceptional care of these often complex and frail individuals.

This year, we are excited to bring you the 29th Clinical Update in Geriatric Medicine in a virtual format. Our Course Directors and Conference Planning team have created a program that will deliver a practical as well as an evidence-based approach. This year's conference also includes Q&A sessions, vendor halls, and opportunities to engage in conversations with speakers, exhibitors, and fellow attendees.

Highlights

Speakers – Handpicked by a multidisciplinary committee of clinicians from academics, practice, and the payer community. Selection was based on two criteria:

- **Expertise** – which in most cases is nationally-recognized and often responsible for the recent advances relative to practice
- **Ability to convey information**, in a practical, succinct, and entertaining way that will allow attendees to immediately incorporate lessons into their practice

Topics and Structure

- ▲ Pragmatic, implementable clinical pearls on dementia, dermatology, pain management, and infectious diseases in the older adult
- ▲ Tips for de-prescribing high-risk medications by an international expert in Geriatric Pharmacy
- ▲ Updates on COVID-19 in the Post-Acute/Long Term Care population from AMDA's President and a front-line geriatric physician from University of Pennsylvania Health System
- ▲ "Osteoporosis" by the President of the National Osteoporosis Foundation
- ▲ Geriatric Cardiology Symposium featuring authors of AHA/ACC Guidelines for the Elderly
- ▲ Practical tips on Palliative Medicine by the co-developer of the acclaimed "VitalTalk"
- ▲ Pearls on Incontinence by the co-developer of the AHRQ, MDS, and WHO guidelines
- ▲ Strategies for optimizing telemedicine visits for the geriatric patient
- ▲ State of the Art updates on geriatric syndromes, each tailored to relevant clinical settings
- ▲ Evidence-based solutions for multiple other relevant topics, including geriatric psychiatry, nephrology, diabetes, and anemia
- ▲ Interactive "Ask the Expert" discussions in pulmonology and cardiology

Learning Objectives

At the end of this course, participants should be able to:

- ▲ Provide evidence-based updates for common geriatric disorders
- ▲ Understand how the approach to geriatric care differs by clinical setting
- ▲ Understand innovative new initiatives and programs to improve the care of the older patient
- ▲ Get answers to specific clinical questions from their own practice

Who Should Attend

This course is designed for family practitioners, internists, geriatricians, and other health care professionals who provide care to older adults. Previous attendees will also be interested because of the conference's continually changing topics, speakers and approach.

Continuing Education Credit

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Pennsylvania Geriatrics Society – Western Division. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME) – The University of Pittsburgh designates this live activity for a maximum of **15.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE) – The maximum number of hours awarded for this Continuing Nursing Education activity is **15.0** contact hours.

Pharmacy (CPE) – This knowledge-based activity provides **15.0** contact hours of continuing pharmacy education credit.

Physician Assistant (AAPA) – The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **15.0** AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Social Work – As a Jointly Accredited Organization, University of Pittsburgh is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Pittsburgh maintains responsibility for this course. Social workers completing this course receive **15.0** continuing education credits.

Other Health Care Professionals – Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity. Thursday = **7.5** Friday = **7.5**
