3rd Annual Three Rivers Antimicrobial Stewardship Symposium Cancellation FAQs

Why is the Antimicrobial Stewardship Symposium canceled?

Due to concerns about coronavirus (COVID-19), Highmark Health executive leadership has decided to immediately implement some temporary protocols to help further protect our workforce, as well as the patients and members we care for at AHN hospitals.

AHN has been closely monitoring updates and recommendations from the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO), as well as state and local governments. We have also been actively following travel advisories and restrictions being placed on health care providers and hospitals and institutions in the U.S. and globally. The health, safety and well-being of our members, staff, exhibitors, faculty, patients and other stakeholders is of paramount importance.

Will paid attendee and exhibitor registrations be refunded?

Yes. AHN will refund registration fees in full for attendees and exhibitors. AHN is currently working through this process and appreciates patience during this time. More information on refund processing and options will be communicated to registered attendees and exhibitors via email. Please email ashley.knoch@ahn.org with any questions.

Will attendees and exhibitors be refunded for hotel costs?

No. AHN will not refund hotel costs.

Will attendees and exhibitors be refunded for airline tickets?

No. AHN will not refund individual airline ticket costs. Please contact your airline directly regarding ticket cancellations. If you purchased travel insurance, please contact your provider for information and next steps.

Will symposium be postponed until a later date or rescheduled?

The 3rd Annual Three Rivers Antimicrobial Stewardship Symposium has been rescheduled for April 24, 2021.
