# 16th Annual Chronic Wound Conference: A Consideration of Wound Care in the Patient with Cancer Diagnosis

Friday, May 6, 2022

DoubleTree by Hilton Hotel  
Pittsburgh - Cranberry  
910 Sheraton Drive  
Mars, PA 16046

Sponsored by:  
The AHN Wound Centers

## Conference overview

On Friday, May 6, 2022, Allegheny Health Network will sponsor its 16th annual conference on chronic wounds. This conference will provide the attendees an update on current research and best practices relating to the management of wound care in the patient with a cancer diagnosis. It will offer in depth access to a multidisciplinary team approach to manage and treat radiation complications, hospice care, nutrition, oncology rehabilitation, and dermatology. This knowledge will improve the skills of wound care practitioners and will result in more effective wound care practices in all settings.

## Target audience

Physicians, physician assistants, podiatrists, nurse practitioners, nurses, physical therapists, occupational therapists, dietitians, and all others involved in wound management.

## CME accreditation
