### Conference overview

Professionals need to better understand that the proper treatment of wound care initially can prevent major wound infections and complications that cost millions of health care dollars to care for these patients each year. This conference will provide information on basic wound care concepts and typical wound treatments, with focus on diabetic feet and their wound complications, vascular status and healing lower extremity wounds, the treatment of skin and soft tissue infections, and advanced modalities of wound care.

### CME accreditation

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Allegheny General Hospital designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Sponsored by  
Saint Vincent Hospital  
Erie, Pennsylvania
