Register online at [cme.ahn.org](https://cme.ahn.org).

## Course overview and intended audience

The inaugural AHN Movement Disorder and Epilepsy Update Course seeks to be a trailblazing event unraveling the intricacies of movement disorders and epilepsy. Navigate the landscape of referral criteria and patient management with expert insights. Uncover the latest in surgical interventions, from presurgical evaluations to the day of surgery. Learn about DBS programming nuances and post-implantation life. This exclusive course offers a panoramic view of neurosurgery's future. This course is intended for primary care physicians, general neurologists, and APPs.

## CME accreditation

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Credits to be determined.
