Conference Overview

This is a full day educational opportunity designed for Advance Practice Providers. Internal APP's and Physicians will be presenting on a broad range of clinical topics to update on diagnostic modalities and treatment options.

Learning Objectives

- Update participants knowledge of diagnosis and treatment of common medical conditions
- Review diagnostic interpretation and appropriate ordering of EKGs
- Analyze the unique needs of pediatric patients and synthesize this knowledge to provide effective care as adult providers
- Provide hands on opportunities to hone clinical skills

Target Audience

Advance Practice Providers – Nurse Practitioners, Physician Assistants, Nurse Mid-Wives
