CME/NCPD opportunity

2024 Women's Institute Fall Conference: Contemporary Topics in OB-GYN

November 8 – 9, 2024

Omni Bedford Springs
2138 Business 220
Bedford, Pennsylvania 15522

Jointly provided by
Allegheny General Hospital and Women's Institute
Allegheny Health Network
Pittsburgh, Pennsylvania

Conference overview

With the rapid changes in practice patterns and new evidence in the literature, it is imperative OB-GYN generalists and family medicine physicians stay up to date on several key topics in general obstetrics, obstetrical emergencies, medical complications of pregnancy, gynecology and gynecologic oncology. This activity is intended for providers in obstetrics and gynecology and family medicine including physicians, nurse midwives, nurse practitioners, physician assistants, registered nurses and other health care professionals who have direct responsibility for, or interest in, obstetrics and gynecology.

CME accreditation

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Allegheny General Hospital approves this live activity for a maximum of 7.50 *AMA PRA Category 1 Credits™*.

Other Credit

American Nurses Credentialing Center (ANCC) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

Allegheny General Hospital is approved as a provider of nursing continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Application to be submitted and credits to be determined.

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

The National Commission on Certification of Physician Assistants (NCCPA) states that the *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification.

Non-physicians

Allegheny General Hospital has approved this activity for a maximum of 7.50 contact hours for non-physicians.
