

# Workspace One Install for iPhone / iPad

Open the Safari Browser app

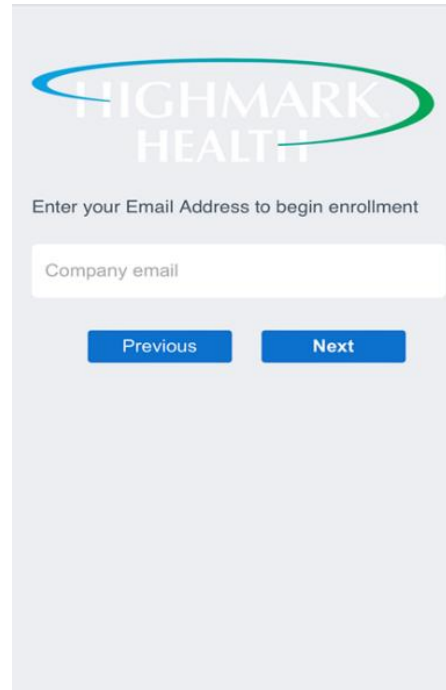

Go to [Highmark.awmdm.com](https://highmark.awmdm.com)

Tap on "Or enter Email Address"

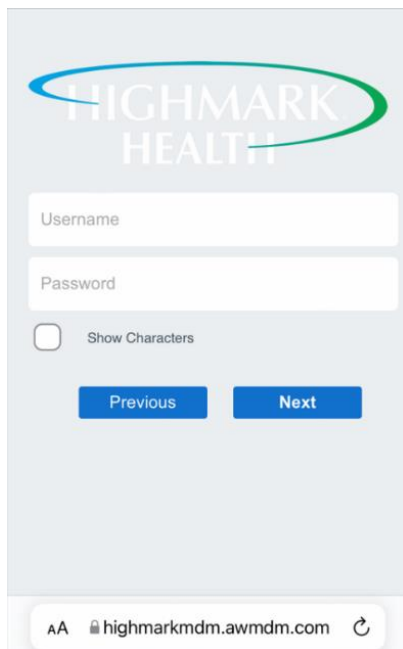

This screenshot shows the Highmark Health enrollment page. At the top is the Highmark Health logo. Below it, the text reads "Enter your Group ID to begin enrollment". There is a white input field labeled "Group ID". Below the input field, the text "Or enter Email Address" is circled in green. At the bottom, there is a blue "Next" button.

Enter your email address

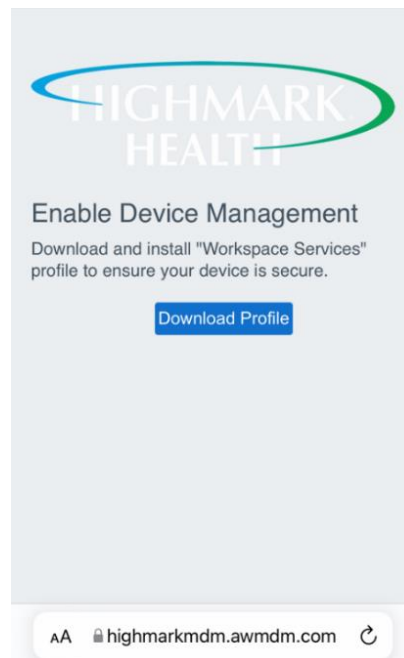

Tap Next

This screenshot shows the Highmark Health enrollment page where the user is prompted to enter their email address. The text reads "Enter your Email Address to begin enrollment". There is a white input field labeled "Company email". Below the input field, there are two blue buttons: "Previous" and "Next".

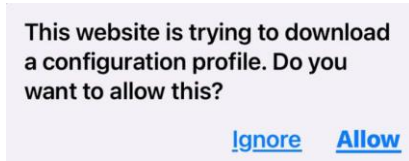

Enter in your corporate user name and Password

This screenshot shows the Highmark Health login page. At the top is the Highmark Health logo. Below it, there are two white input fields: "Username" and "Password". Below the "Password" field, there is a checkbox labeled "Show Characters". At the bottom, there are two blue buttons: "Previous" and "Next". The browser address bar at the bottom shows "AA highmarkmdm.awmdm.com".

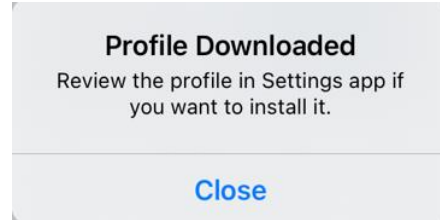

Tap Download Profile

This screenshot shows the Highmark Health device management screen. At the top is the Highmark Health logo. Below it, the text reads "Enable Device Management" and "Download and install 'Workspace Services' profile to ensure your device is secure." Below this text, there is a blue button labeled "Download Profile". The browser address bar at the bottom shows "AA highmarkmdm.awmdm.com".

**Data sharing**

**Want an even better app experience?**

Help us improve and develop new app features and functionality that will make you even more productive.

We would like to collect information about your usage of our app to better understand how users interact with our apps and how we can improve the app experience. We analyze this usage data in the aggregate and not in any way that identifies you. If you change your mind, you can change this setting at any time.

For information about how VMware handles your usage data if you elect to share this data with VMware, visit <https://www.vmware.com/help/privacy.html>.
