## “LONE-ACTOR TERRORISM: CLINICAL AND BEHAVIORAL PATTERNS”

**JACOB HOLZER, M.D., LFAPA**

*Attending Psychiatrist  
Geriatric Outpatient  
McLean Hospital  
Belmont, MA*

**Thursday, February 9, 2023  
12:00 p.m. - 1:00 p.m.**

**SNYDER AUDITORIUM AND ZOOM**

**THIS ACTIVITY IS DESIGNED TO HELP YOU:**

- State some of the factors related to lone-actor terrorism
- Discuss the psychiatric, psychological, behavioral and mental health issues relevant to lone-actor violence

**PHYSICIANS:** Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians and adheres to the policies of the American Psychological Association regarding provision of Continuing Education.

Allegheny General Hospital designates this continuing medical education activity for a maximum of 1.0 *AMA PRA Category 1 Credits* [TM]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**TARGET AUDIENCE:** Advanced level of instruction for psychiatrists, psychologists, social workers and other medical personnel.

Faculty Disclosure: In accordance with the Accreditation Council for Continuing Medical Education (ACCME), the Association of American Medical Colleges (AAMC) Standards and the policy of Allegheny General Hospital, presenters are asked to indicate if they have any relationship which, in the context of their presentation, could be perceived as a real or apparent conflict of interest (e.g., ownership of stock, honoraria, consulting fees, etc.). Any such relationships will be disclosed to the audience and consideration will be given to possible influences of their presentation. **Dr. Holzer discloses financial relationship with Oxford Press and will be discussing unpublished research data and Dr. Swanson (Course Director) has nothing to disclose.**

The information presented in this CE offering reflects the opinion of the presenter. As with all science, there may be multiple explanations for the data and multiple reasonable conclusions.
