
PSYCHIATRY GRAND ROUNDS

“FROM RED TAPE TO RECOVERY: HOW YOU CAN UNLOCK CLOZAPINE’S GAME CHANGING POTENTIAL”

ROBERT COTES, M.D., DFAPA

*Director, Clinical & Research Program for Psychosis at Grady Health System
Department of Psychiatry and Behavioral Sciences
Emory University School of Medicine
Atlanta, GA*

**Thursday, April 18, 2024
12:00 p.m. - 1:00 p.m.**

SNYDER AUDITORIUM AND ZOOM

THIS ACTIVITY IS DESIGNED TO HELP YOU:

- Describe three scenarios for when to obtain therapeutic drug monitoring for clozapine as per the ASCP/AGNP guidelines
- List one clinically relevant example of how someone from a specific ethnic or cultural background may metabolize clozapine differently
- Describe one possible change the FDA could make to the Clozapine REMS system to improve access

PHYSICIANS: Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians and adheres to the policies of the American Psychological Association regarding provision of Continuing Education.

Allegheny General Hospital designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credits*™.

CE FOR PSYCHOLOGISTS: Allegheny General Hospital is approved by the American Psychological Association to offer continuing education for psychologists. Allegheny General Hospital maintains responsibility for the program and its content.

TARGET AUDIENCE: Advanced level of instruction for psychiatrists, psychologists, social workers and other medical personnel.

Faculty Disclosure: In accordance with the Accreditation Council for Continuing Medical Education (ACCME), the Association of American Medical Colleges (AAMC) Standards and the policy of Allegheny General Hospital, presenters are asked to indicate if they have any relationship which, in the context of their presentation, could be perceived as a real or apparent conflict of interest (e.g., ownership of stock, honoraria, consulting fees, etc.). Any such relationships will be disclosed to the audience and consideration will be given to possible influences of their presentation. **Dr. Cotes discloses grand/research support from Otsuka, Karuna, Alkermes, and Roche; consultant and speaker's bureau of Saladax Biomedical, board member of American Association Community Psychiatry and HOPE Atlanta and will be discussing clozapine augmentation strategies as there are currently no FDA approved treatments and Dr. Swanson (Course Director) has nothing to disclose.**

The information presented in this CE offering reflects the opinion of the presenter. As with all science, there may be multiple explanations for the data and multiple reasonable conclusions.
