The Aveta® System for diagnostic and therapeutic hysteroscopy features HD operative hysteroscopes, pathology-optimized resecting devices, with integrated HD video, resection and fluid management in one compact controller.

## Impactful

- Full procedure control from hysteroscope handle | physician autonomy
- HD Operative Hysteroscopes- smallest insertion diameter w/ largest working channel
- SteadiView™ technology
- Faster tissue resection rates*

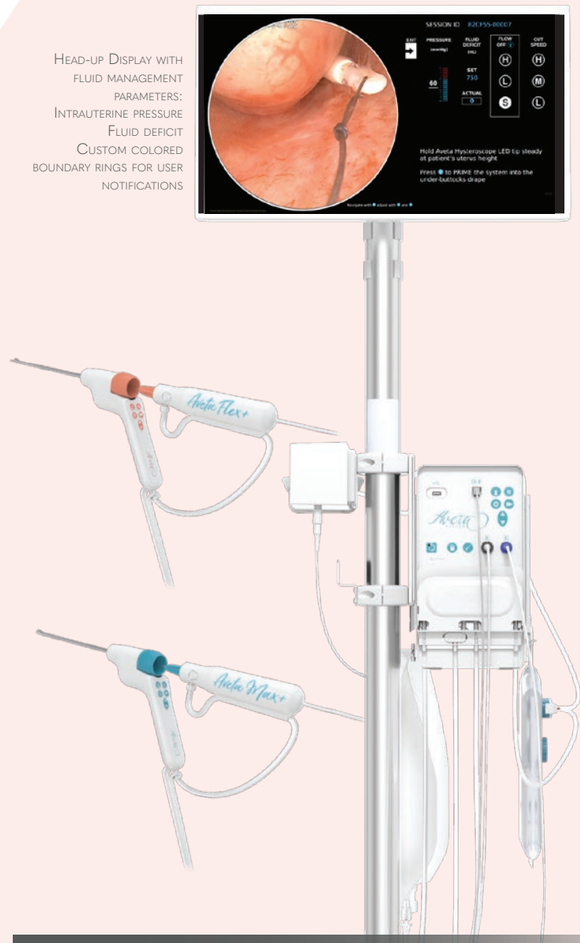

## Accurate

- Continuous deficit monitoring | ±3ml* measurement accuracy
- Smart pressure control | ±5mmHg*
- Head-up Surgeon-controlled display
- Adjustable suction flow rates (High, Low, Saver)
- Adjustable resection speeds (High, Med, Low)

## Convenient

- Optional Cervical Seal
- Lightweight ergonomic Design
- Reduced OR Turnover time Up to 10 Mins* | Easy setup | Fast Resection
- Customizable | Adaptable | from OR or office

Meditrina Aveta

Head-up Display with fluid management parameters: Intrauterine pressure Fluid deficit Custom colored boundary rings for user notifications

UNITY

by BILLION TO ONE

Unity Confirm™

# The innovation of the decade in prenatal genetics has arrived.

The first and only non-invasive confirmatory test for high-risk Unity Aneuploidy™ NIPT results for patients who cannot, or choose not to, pursue invasive diagnostic testing.*

unityscreen.com

* Available exclusively with Unity Aneuploidy™ NIPT. Unity Confirm is not available for high-risk monosomy X pregnancies, twin or higher multiple pregnancies, vanishing twins, gestational carriers or egg donors, or for pregnancies >15 weeks 6 days gestation. Only available in the US.

Unity tests can produce false-positive and false-negative results. Results are not a guarantee. Amniocentesis should be considered with high risk results. Important medical decisions should not rely on Unity test results alone. Clinical correlation is necessary, including but not limited to the results of prior and further prenatal testing. Unity tests are laboratory-developed tests performed in a CLIA-certified and CAP-accredited laboratory. They are not FDA-approved or FDA-cleared diagnostic tests. Test performance may vary based on gestational age and other factors.

# Relentlessly advancing prenatal screening to help improve care

Only Labcorp's MaterniT® cfDNA prenatal screening test combines the most published genome-wide cfDNA experience with reflex assessment of CNVs >7 Mb. Our solution's new enhancements include fetal enrichment to increase fetal fraction and reduce nonreportable and redraw rates.

Plus, as the only lab to offer both a first trimester preeclampsia screening test with PAPP-A and PlGF and an FDA-cleared test for late trimester risk evaluation, we provide comprehensive preeclampsia screening across all trimesters.

**Together, we can close care gaps, guide effective treatments, and help improve pregnancy outcomes.**

**Learn more about our MaterniT cfDNA prenatal screening test with enhanced fetal enrichment:**

## Overview

With the rapid changes in practice patterns and new evidence in the literature, it is imperative that the OB-GYN generalist and family medicine physician stay up to date on several key topics in general obstetrics, obstetrical emergencies, medical complications of pregnancy, gynecology, and gynecologic oncology.

## Objectives

- Review knowledge and skills related to current evidence-based guidelines in diagnosing and managing common OB-GYN conditions
- Discuss new technologies, therapies, updates, and advancements in the field, and implement best clinical practices
- Learn to integrate strategies for improved patient safety and quality of care
- Identify healthcare disparities and review how to address them
- Focus on enhancing communication and collaboration within healthcare teams

## CME accreditation

### Physicians

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Allegheny General Hospital designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

### NPs and PAs

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits*™ from organizations accredited by the ACCME.

The National Commission on Certification of Physician Assistants (NCCPA) states that the *AMA PRA Category 1 Credits*™ are acceptable for continuing medical education requirements for recertification.

### Physical therapists

This course is approved by the Pennsylvania State Board of Physical Therapy for 7.5 contact hours.

### Social workers

NASW-PA Chapter is a co-sponsor of this workshop. Number of CEUs to be determined. NASW has been designated as a pre- approved provider of professional continuing education for social workers (Section 47.36), Marriage and Family Therapist (Section 48.36) and Professional Counselors (Section 49.36) by the PA State Board of Social Workers, Marriage & Family Therapists and Professional Counselors.

### Non-physicians

Allegheny General Hospital has approved this activity for 7.5 contact hours for non-physicians.

# Program agenda

## Friday, October 16, 2026

| | |
|---|---|
| **3 – 3:30 p.m.** | Check-in |
| **3:30 – 4:30 p.m.** | Team building activity - Fire Pit - yard games<br>**Sponsored by Meditrina** |
| **4:30 – 5 p.m.** | Registration and visit exhibits |
| **5 – 6 p.m.** | The future of robotic surgery: Delivering surgical excellence to your community<br>**Martin Martino, MD, MBA, FACOG, FACS** |
| **6 – 6:45 p.m.** | Anemia and pregnancy<br>**Rama Ganesh, MD** |
| **6:45 – 7 p.m.** | Break and visit exhibits |
| **7 – 8 p.m.** | Dinner |
| **8 – 10 p.m.** | Networking and cocktails |

## Saturday, October 17, 2026

| | |
|---|---|
| **7 – 7:55 a.m.** | Breakfast, registration, and visit exhibits |
| **7:55 – 8 a.m.** | Welcome and opening remarks<br>**Marcia Klein-Patel, MD, PhD** |
| **8 – 8:45 a.m.** | OB coding updates and changes<br>**Bryan Labuda, DO, and Radhika Patnam, MD** |
| **8:45 – 9:30 a.m.** | Contrast enhanced mammography (CEM):<br>The next frontier in breast cancer detection<br>**Matthew Miller, MD** |
| **9:30 – 9:45 a.m.** | Coffee break and visit exhibits |
| **9:45 – 10:30 a.m.** | Chronic pelvic pain: Review, workup, and referral<br>**Renee Sullender, MD, MPH, and Radhika Patnam, MD** |
| **10:30 – 10:50 a.m.** | Bridging the gap for early postpartum recovery<br>**Ashley Watson, PT, DPT, NCS, and Olivia Origer, PT, DPT** |
| **10:50 – 11:15 a.m.** | Driving obstetric care forward: Important AHN updates<br>**Devon Ramaeker, MD** |
| **11:15 – 11:30 a.m.** | Coffee break and visit exhibits |
| **11:30 a.m. – 12:15 p.m.** | Let's talk about (postpartum) sex!<br>**Liliana Cruz, MD** |
| **12:15 – 1:15 p.m.** | Lunch |
| **1:15 – 2 p.m.** | Love muscles in trouble: When your pelvic floor crashes date night<br>**Nicole Reilley-Dosey, MPT, DPT, CLT** |
| **2 – 2:45 p.m.** | Perinatal behavioral health emergencies<br>**Ewurama Sackey, MD** |
| **2:45 – 3 p.m.** | Snack break and visit exhibits |
| **3 – 3:45 p.m.** | Management of uncommon ectopic pregnancy<br>**Grace Ferguson, MD, MPH** |
| **3:45 – 4 p.m.** | Closing remarks<br>**Marcia Klein-Patel, MD, PhD** |

## Course director

**Marcia Klein-Patel, MD, PhD**
Associate Professor, OB-GYN,
Drexel University School of Medicine
Network Chair, Department of OB-GYN
Allegheny Health Network

## Planning committee

**Kat Moyta**
Senior Project Manager, Department of OB-GYN
Allegheny Health Network

## Invited faculty

**Martin Martino, MD, MBA, FACOG, FACS**
Assistant Professor of Medicine, DUCOM
Medical Director, Classical Hematology
Division of Hematology and Cellular Therapy, Cancer Center

**Rama Ganesh, MD**
Assistant Professor of Medicine, DUCOM
Medical Director, Classical Hematology
Division of Hematology and Cellular Therapy, Cancer Center
Allegheny Health Network

**Liliana Cruz, MD**
Department of OB-GYN
Allegheny Health Network

**Nicole Reilley-Dosey, MPT, DPT, CLT**
Operational Manager of Outpatient Therapy Services
Lymphedema, Oncology Rehab, Pelvic Health,
and Osteoporosis Therapy
Allegheny Health Network

**Ewurama Sackey, MD**
Medical Director of AHN Women's Behavioral Health
Allegheny Health Network

**Bryan LaBuda, DO, FACOG**
Department of OB-GYN
Allegheny Health Network

**Matthew Miller, MD**
Associate Professor,
Drexel University of Medicine
Director of Breast Imaging,
AHN Department of Radiology and Imaging Sciences
Allegheny Health Network

**Devon M. Ramaeker, MD, FACOG**
Assistant Professor, Drexel University College of Medicine,
Department of Obstetrics and Gynecology
Division Director, Maternal-Fetal Medicine,
Department of OB-GYN
Allegheny Health Network

**Grace Ferguson, MD, MPH**
Department of OB-GYN
Complex Family Planning
Allegheny Health Network

**Olivia Origer, PT, DPT**
Pelvic Health Specialist
Allegheny Health Network

**Renee Sullender, MD, MPH, FACOG**
Minimally Invasive Gynecologic Surgery
Department of OB-GYN
Allegheny Health Network

**Ashley Watson, PT, DPT, NCS**
Board-Certified Neurologic Clinical Specialist
Allegheny Health Network

**Radhika Patnam, MD**
Urogynecology
Physician Informaticist
Department of OB-GYN
Allegheny Health Network

**Disclosure of significant relationships:** In accordance with the Accreditation Council for Continuing Medical Education (ACCME) and the policy of Allegheny General Hospital, presenters must disclose all relevant financial relationships, which, in the context of their presentation(s), could be perceived as a real or apparent conflict of interest (e.g., ownership of stock, honoraria, or consulting fees). Any identifiable conflicts will be resolved prior to the activity. Any such relationships will be disclosed to the learner prior to the presentation(s).
